DIRECTOR OF ATHLETICS

To say that Barbara Jacket, Prairie View A&M's Director of Athletics, has had a successful career is an understatement. Jacket turned Prairie View's women's track and field program into a national powerhouse almost single-handedly and has also taken her track expertise to the international level.

Jacket served as the head coach of the United States track and field team for the 1992 Olympic Games in Barcelona, Spain. She has also worked as both a coach and an observer with the World University Games and the Pan American Games. The Port Arthur, TX native has also coached teams that have competed in Bulgaria, England, Japan, Romania and the former Soviet Union.

Jacket, a 1958 graduate of Tuskegee Institute, established the women's track program at Prairie View A&M in 1964 and captured 20 national championships, nine Southwestern Athletic Conference indoor titles, six conference outdoor titles and six SWAC cross country championships before she retired from coaching in 1991.

In addition, she has been named the National Association of Intercollegiate Athletics, (NAIA) Outdoor Track Coach of the Year seven times, the NAIA Indoor Track Coach of the Year three times, the SWAC Cross Country Coach of the Year seven times, the SWAC Indoor Track Coach of the Year nine times and the SWAC Outdoor Track coach of the Year six times.

Jacket has seen 27 of her athletes garner All-American status.

However, one of Jacket's most recent honors is probably the one that is most dear to her.

The city of Port Arthur, TX recently renamed a park "Barbara Jacket Park," in her honor.

"I get teary-eyed every time I pass the park to know that somebody thought enough of me to give it my name. I'm just happy the Lord blessed me to be around to see it," said Jacket.

Jacket said most people are given such an honor after they have died.

As Director of Athletics Jacket is faced with the task of rebuilding the Prairie View A&M athletic program to the "powerhouse"

Barbara Jacket

status of the past.

Since the Prairie View A&M athletic department can not afford to offer athletic scholarships, Jacket said she hopes to get support from the school's administration, faculty, staff and corporations to rebuild the program.

"I want to get Prairie View back to winning championships," said Jacket.

Although Jacket has a full teaching load in the Health and Human

Performance department, she still finds time to speak to audiences at schools and youth gatherings.

**"I want to get
Prairie View back to
winning championships."**

-Barbara Jacket-

"I believe that one should give back to the youth once you have been given the opportunity to gain a little success in life, to let them know that all things are possible," said Jacket.

Jacket likes to tell her audiences, "You succeed because you want to, not because somebody else wants you to. You can be what you want to be and can do what you want to do if you are disciplined and have faith in God."

"As long as you are clean and get your education and stay away from drugs, you will get the opportunity to obtain the finer things in life."

Barbara Jacket, Director of Athletics, addresses the crowd at the dedication of "Barbara Jacket Park" in Port Arthur, TX.

1994 SEASON PREVIEW

"We have a new offensive philosophy. We have a new defensive philosophy. We have a new outlook on football, especially offensively," said Ron Beard, Prairie View A&M head coach.

Prairie View A&M hired former head coach, Conway Hayman to take over the offensive coordinator duties for the 1994 season.

"He (Hayman) is familiar with the situation here at Prairie View and he can make the players play above their heads," said Beard.

The Panthers will seek their first win under Beard in the 1994 season.

"Last year I thought we were going to break into the win column in a couple of games," said Beard. "I think we had some physical and mental breakdowns."

Beard said the Panthers will look to seniors Jerrold Crowder (LB), Alphonse Provo (LB), Cory Fregia (DL), Augustus Belser (DL) and Arthur Booker (DB) to lead Prairie View A&M in the upcoming season.

"Those five seniors must set the tone for our defense. They have been around since day one," said Beard.

Crowder, (6-2, 204) started all 11 games last season and was second on the squad in tackles. He collected 70 hits last season, including, 38 tackles and 32 assists. In addition, he had six stops behind the line of scrimmage for -24 yards. The Houston, TX native also recovered three fumbles and returned them for 87 yards. Crowder also had an interception.

Provo, (6-2, 235) has been a starter at linebacker since his freshman year and was third on the team in tackles last season. The Houston, TX native had 53 hits, 20 tackles and 33 assists. He also had one tackle-for-lost for -4 yards. Provo started all 10 of the games he played last season.

Fregia, (6-1, 270) led the Panthers in both tackles-for-lost and sacks in 1993. The Beaumont, TX native had 7.5 stops behind the line of scrimmage for -35 yards and collected 2.5 sacks for -13 yards. He had a total of 48 hits on the year, 22 tackles and 26 assists. Fregia, who started all 11 games last season, also collected one fumble.

Belser, (6-3, 257) collected 33 hits, 14 tackles and 19 assists last season. He was tied for third on the team with three tackles-for-lost and also had 1.5 quarterback sacks for -12 yards. Belser recovered two fumbles.

Booker, (5-10, 181) totalled 14 tackles in seven games last season. The Sherman, TX native also had one pass break up and one interception.

Beard said the Panthers will look to offensive linemen, David Washington, (6-5, 286) and David McPherson, (6-5, 273) to lead the offensive unit.

"I expect these two guys to rise to the occasion and be impact players," said Beard.

Greg Bell, (5-11, 178), who started nine games at quarterback as a freshman, returns for the 1994 campaign. Bell was seventh in the Southwestern Athletic Conference in passing last season. He completed 55 of 148 passes for 679 yards. Bell completed .372 of his passes and tossed five touchdowns. His longest play last season went for 51 yards.

The Opelousas, LA native was the Panthers' leader in total offense with 69.73 yards per contest. He collected 88 yards on the ground.

"We have a new offensive philosophy. We have a new defensive philosophy. We have a new outlook on football, especially offensively."

-Ron Beard-

The Panthers leading fullback hopeful is Keithon Brooks, (5-10, 245). He was second on the squad in rushing last season. Brooks, who was 10th in the SWAC in rushing, ran for 420 yards and one touchdown on 115 carries. He averaged 38.2 yards per game and 3.7 yards per carry. He also had two receptions for 21 yards last season.

Alaric Henderson, (5-9, 185) heads the Prairie View A&M receiver corps. Henderson, who played in 10 games last season, was fourth on the team in receiving with eight catches for 185 yards. He averaged 23.1 yards per catch and caught two touchdown passes in 1993.

Also returning for the Panthers is Torrance Brooks, (5-4, 150), who was fifth in the conference in punt returns and ninth in kickoff returns. Brooks, who will be a sophomore this year, ran a kickoff back 97 yards for a touchdown in the last game of the season last year. He averaged 7.3 yards per punt return and 17.1 yards per kickoff return. Brooks collected 617 yards on kickoff returns last season.

HEAD COACH

There are two things that can be said about Ron Beard, Prairie View A&M head football coach. One-he's a believer. Two-he believes that this is the year the Prairie View A&M Panther football team will get it's first win in three season.

"I have a lot of seniors who are 0-33. I'm sure they have some pride and they will change that. They will not go 0-44," said Beard.

The Anniston, AL native says the Panthers have taken a new approach towards football. He says the Panthers have changed their philosophy, "especially offensively."

Ronald Beard

When football was reinstated at Prairie View A&M in 1991 Beard was named the head coach.

Although he was born in Alabama, Beard is a 1969 graduate of David Mackenzie High School in Detroit, MI. In 1973 he earned a bachelor's degree from Eastern Michigan University, located in Ypsilanti, MI.

While at Eastern Michigan he excelled in football and was also a member of the basketball team. In 1971 Beard played on the Eastern Michigan team that went undefeated during the regular season and lost to Louisiana Tech, 10-3 in the Pioneer Bowl.

Beard received a master's degree in education from Prairie View A&M in 1982.

He and his wife Patricia have one son, Ryan Dwayne, 13.

Beard, who is the assistant director of athletics, also serves as an instructor in the Health and Human Performance department and is the head men's and women's golf coach at Prairie View A&M.

"I have a lot of seniors who are 0-33. I'm sure they have some pride and they will change that. They will not go 0-44."

-Ron Beard-

Although this is only his fourth year as a head coach, this will mark Beard's twentieth year in the coaching profession.

His career started in 1974 when he served as the defensive coordinator and linebackers coach for Central State University in Wilberforce, OH.

After three years, Beard took the same position at North Carolina A&T University in Greensboro, NC. At North Carolina A&T Beard coached teams that competed in the first two bowl games in the school's history.

In 1982 Beard took over the Prairie View A&M defense and held that position until the football program was discontinued in 1990.

ASSISTANT COACHES

Robert Atkins, Linebacker

Atkins coached the wide receivers last season, but will work with the linebackers for the 1994 campaign. He is a ten year veteran of the National Football League. Atkins played three years with the St. Louis Cardinals and seven years for the Houston Oilers.

A three-year letterman under the legendary Eddie Robinson at Grambling State, Atkins is a 1968 graduate of that institution.

He spent two years coaching girl's basketball in local high schools and now serves as the head coach for the women's basketball team at Prairie View A&M.

Douglas Fowlkes, Offensive Line

Fowlkes will serve as the offensive line coach again for the 1994 season.

Before coaching at Prairie View A&M he worked as the offensive line coach at Texas Southern University and as a graduate assistant at Central State University in

Wilberforce, OH. Fowlkes also coached in the high school ranks in Columbus, OH.

The former All-American wrestler and football player earned a bachelor's degree from Central State and a master's degree from Texas Southern.

Clifton Gilliard, Defensive Backs

Gilliard, a 1960 graduate of Prairie View A&M, was a halfback for the Panthers in the late 1950's. He lettered three years in football and was named All-SWAC in 1958, the year Prairie View A&M won the national

championship.

Gilliard is in his second stint at Prairie View A&M, as he served as the offensive backfield coach from 1974-1980. He is also the assistant track coach.

Before arriving at Prairie View A&M, Gilliard spent 14 years coaching in Houston area high schools.

He and his wife Hazel have two sons, Reginald and Derrick. Reginald is a former receiver at Prairie View A&M.

Conway Hayman, Quarterbacks/Receivers

Hayman is the newest member of the coaching staff. However, he is no stranger to Prairie View A&M. He was the head coach of the Panthers from 1983 through 1986 and compiled a 5-38 record. Hayman joined the

Prairie View A&M staff in 1981 as the offensive line coach.

The former University of Delaware All-American has served as offensive coordinator at Texas Southern and as the offensive line coach at Florida A&M University.

Hayman spent 13 years in the NFL. He played for the Washington Redskins, Los Angeles Rams, New England Patriots and the Houston Oilers.

Tarleton State University was founded in 1899 as John Tarleton College through a bequest by John Tarleton, a pioneer Erath County citizen, and is one of the oldest institutions of higher learning in Texas.

While it originally granted degrees, John Tarleton College began a junior college-academy program in 1906, and became part of the Texas A&M University System in 1917. It was known as John Tarleton Agricultural College until 1949 when the name was changed to Tarleton State College to better reflect Tarleton's growth in the field of liberal arts.

In 1959 the Texas legislature expanded Tarleton to a four-year degree-granting institution and a 1973 session of the Texas Legislature changed the institution's name to Tarleton State University.

The University is located in North Central Texas approximately 65 miles southwest of Fort Worth. One of the most striking features of Tarleton State University is its spacious 144-acre campus, located almost in the heart of Stephenville, a city of 15,000. Featuring malls, open space, and beautifully landscaped buildings, the campus is dominated by majestic oaks and pecan trees which create a warm atmosphere for living and learning.

RONNIE ROEMISCH - TARLETON HEAD COACH

Ronnie Roemisch, defensive coordinator at Tarleton State University for four years, was elevated to head football coach at the school in January, 1993.

Roemisch, who attended Hermleigh High School, is a 1979 graduate of Tarleton. A four-year letterman for the Texans, he played defensive tackle and was a member of the 1978 team that led the nation in defense. After graduating from Tarleton he spent three years as an assistant in football, basketball, and track at Stephenville High School before moving to Gregory-Portland High School where he coached for six years.

In 1988, he returned to Tarleton as a graduate assistant working with the linebackers. He received his masters in 1989 and was elevated to full-time coach and defensive coordinator that fall. During his five year tenure as an assistant at Tarleton, the Texans posted a 36-18 record and advanced to the national playoffs twice. Roemisch-led defenses allowed 10 points or fewer in a game 18 times during that span.

In his first year as head coach at Tarleton (1993), Tarleton went 5-5.

Ronnie, 37, and his wife, Joanna, have two children, Anna Teresa, 13, and Andrew, 11.

Tarleton Outlook for 1994

Head Coach Ronnie Roemisch has good reason to be excited about the future of Tarleton football. The Texans are moving up to scholarship level this year and will eventually compete for Lone Star Conference and NCAA Division II titles.

The present, however, has Roemisch concerned. Only five offensive and three defensive starters return this season. There are gaps on both sides of the line and depth is a problem at nearly every position.

Because of the large number of quality receivers on hand, Tarleton plans to throw 60 to 70 percent of the time out of its multiple-I formation. It's an offense that can best be described as a "scramble and shoot."

Senior Ryland Bailey and sophomores Greg Cranfill, Michael Dickinson, Jamie Martin, and Colin Yocom are the featured receivers. All of Tarleton's receivers have an amazing knack of working their way to the open spots in the field and an ability to come and get the ball.

Getting the ball to their hands will be the responsibility of senior Kevin Vickers. Vickers, who started five games last year, is the leading quarterback candidate. He's a heady player with decent throwing ability and great instincts. Vickers can throw on the run and escape the rush. Eric Ezar, who saw little varsity time last year, and Brook Williams, who started and won two games last year, are the other two returnees.

When Tarleton chooses to run, fullback Craig West will get the call. Transfer Scott Smith will also see action there and is an outstanding blocker.

Tarleton will be very young in the offensive line. Freshman Steve Carey will start at center with Sam Steeley backing up. Guards Craig Ragsdale, Warren Wills, and Tim Renfro all have experience. Tackle Grady Speaks is the biggest man on the team and transfer J. Clark should fill the other tackle spot.

On defense, Ople Scott returns for his final campaign at end and is the leading returning defender with 62 tackles. Scott led the team with 11 tackles for losses last year. Also back from last year in the line are end John Hill and tackle Ryan Mask. Both started three games last year. Hill had 23 tackles and Mask 15 after changing over from the tight end position. Stephen Moseley returns to the team as well and should have a banner season at defensive tackle.

Tarleton's linebacker group is led by sophomores Bryan Blake, a transfer, and David Hutyra, a returnee from the 1992 team. Geoff Huff, a junior who started two games last year, and newcomer Stephen Bethea are expected to see lots of playing time as well.

Senior cornerbacks Jamey Boyd and Steven Sikes while junior Rusty Gortmaker is penciled in at free safety. Brian Tyree is the leading candidate at strong safety. Sophomore returnees that include Rufino Villa, David Petroff, and Stephen Oliver.

Junior placekicker Trampas Wilson handles the field goal and extra points while freshman Brad Couch from Stephenville will do the punting. Brian Tyree is the backup punter.

Bailey, who did all the punt returns in 1993, has that role again. Kelly Hancock and freshman Chris Blackmon handle the kickoff returns.

Tarleton travels to Prairie View A&M for a 1:30 p.m. game on November 5 and closes the regular season on November 12 hosting NAIA II Southwestern Kansas in a 2 p.m. game.

“Dear Prairie View”

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thee purple royal and thy gold
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

PRAIRIE VIEW A&M

Prairie View A&M University is the second oldest public institution of higher education in Texas, originating in the Texas Constitution of 1876. The establishment of the University was an effort to impartially provide a school for African-Americans under the same board of directors as the Agriculture and Mechanical College of Texas, established in 1871. Prairie View A&M is a member of the Texas A&M University System.

Prairie View was originally named the "Agriculture and Mechanical College of Texas for Colored Youth," and opened in Prairie View, Texas on March 11, 1878, with eight students and two professors. Today Prairie View A&M has more than 5,000 students and 268 full-time faculty.

The modern mission of Prairie View A&M was most recently redefined by the people of Texas in a 1984 constitutional amendment. Through that amendment, the University was named, along with The University of Texas and Texas A&M University, as an "institution of first class."

While working to maintain excellent instruction and a demanding curriculum, Prairie View A&M understands its responsibility to nurture student academic development. The University seeks to increase the intellectual curiosity of students and provide healthy physical and cultural environments and student-centered services.

Prairie View A&M

University has enjoyed continual growth. By 1992, it realized a 12% increase over its Fall 1990 enrollment, which included students from approximately 112 counties, 41 states, and 35 foreign countries. Michigan and Jamaica accounted for the most

1993 SEASON REVIEW

"I don't like anything about the last three years," said Prairie View A&M head football coach Ron Beard.

Beard's Panthers failed to break into the win column for the third straight year last season.

"Last year I thought we were going to break into the win column in a couple of games," said Beard. "I think we had some physical and mental let downs."

One bright spot for the Panthers was the punting of senior Samuel Barner, who was named to the All-Southwestern Athletic Conference second team. Barner averaged 35.9 yards per punt, as he kicked for 2295 yards on 64 punts. His longest punt of the year was a 74-yard boot against Jackson State.

The Itta Bena, MS native also kicked a 42-yard field goal against Alcorn State.

"Last year I thought we were going to break into the win column in a couple of games. I think we had some physical and mental let downs."

-Ron Beard-

The Panthers were led on offense by freshman quarterback, Greg Bell. The Opelousas, LA native averaged 69.73 yards per game, as he passed for 679 yards and gained 88 yards on the ground.

Bell completed .372 of his passes, while he connected on 55 of 148 attempts. He tossed five touchdowns, including a 51-yard strike to junior Alaric Henderson. Bell's longest rushing play went for 33 yards.

Another freshman, Torrance Brooks, led the Panthers in all-purpose yards. Brooks, the team's return specialist, averaged 63.82 yards per game. He totalled 702 yards, including 617 yards in kickoff returns, 73 yards in punt returns and 12 yards in pass receiving.

Brooks returned a kickoff 97 yards for a touchdown and averaged 17.1 yards per return. He had 36 kickoff returns on the season.

Senior Shawn Narcisse was the leading pass receiver for Prairie View A&M in 1993. Narcisse, who started all eleven games for the Panthers, had 14 receptions for 189 yards and one touchdown. The Port Arthur, TX native averaged 13.5 yards per catch and his longest play went for 43 yards.

Running back Shannon Rhea was the leading ground gainer for the Panthers. Rhea gained 560 yards on 150 carries. He averaged 56.0 yards per contest and 3.7 yards per carry. He rushed for one touchdown and his longest play on the year was a 53-yard rush.

Rhea also had 12 receptions for 81 yards. He was second on the squad in total offense with 56.0 yards per game and in all-purpose yards with 64.10 yards per contest.

The Panthers' defensive leader was senior Kirk Martin. Martin, a converted basketball player, led the team in both tackles and interceptions from his free safety position.

He had 81 hits on the year, including 44 tackles and 37 assists. The Lafayette, LA native had one tackle-for-lost for -3 yards. He snagged three interceptions and returned them for a total of 69 yards. His longest return went for 43 yards. Martin also broke up six pass attempts and recovered two fumbles.

THE SWAC

"The Super Eight"

The Southwestern Athletic Conference (SWAC) was founded in 1920 and had an original membership of six colleges. The original "Super Six" consisted of Bishop College, Paul Quinn College, Sam Houston College, Prairie View College, Texas College and Wiley College. Its founding fathers were C.H. Fuller of Bishop; E.G. Evans, H.J. Evans, H.J. Mason and Willie Stams of Prairie View; Red Randolph and C.H. Patterson of Paul Quinn; G. Whitte Jordan of Wiley and D.C. Fuller of Texas College.

Paul Quinn became the first of the original SWAC members to withdraw from the league when it did so in 1929. When Langston University the conference two years later, it supported institutions into the Baton Rouge, La. entered the Arkansas AM&N of Pine Bluff, University of Houston, Tex. in

Rapid growth in schools made it difficult for the finance their athletic programs and growing prowess of tax-supported

Bishop withdrew from in 1957 and Sam Houston in 1959, one year after the admittance of two more state-supported schools- Grambling College of Grambling, La. and Jackson College of Jackson, Miss.

The enter-exit cycle continued in 1961 when Texas College withdrew, followed by the admittance of Alcorn A&M College of Lorman, Miss. in 1962. Wiley left in 1968, the same year that Mississippi Valley State College of Itta Bena, Miss. entered. Arkansas AM&N exited in 1970 and Alabama State University of Montgomery, Ala. entered the league in 1982.

Today, the SWAC ranks among the elite of the nation in terms of alumni playing with professional teams, particularly in the sport of football.
